

Ring size

To check if your print-out is in the correct scale, just measure the appropriate ruler with a physical one!

Centimeters

Inches

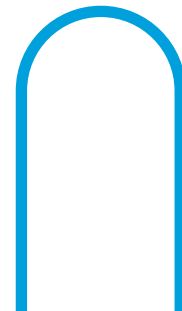

Small:
16mm
0.6"

Medium:
19mm
0.7"

Large:
21mm
0.8"

Fit your finger inside the shape to determine the best ring size (small, medium or large).

Your finger should not completely block out the line.
